

# ***Pilots Training School*** ***for Museum Explainers, Educators and Young Scientists***

## **Practical information**

### ***How to come to Trieste***

The nearest airport for Trieste is Trieste- Ronchi dei Legionari: <http://www.aeroporto.fvg.it/>

The airport is served by a bus to and from the town (50' approx.). Different airlines operate at the airport, and there are daily flights to and from Munich (Lufthansa) and London Stansted (Ryanair) with good connections (see pdf for other information about direct flights to and from Trieste).

The other closest airports are: Venice (Marco Polo) and Ljubljana, where other low cost airlines also operate. From Venice to Trieste there are train connections (two hours); from Ljubljana it is impossible to arrive without a private car (one hour travel): if Ljubljana is your only possibility please ask us for advice.

### ***Hotels***

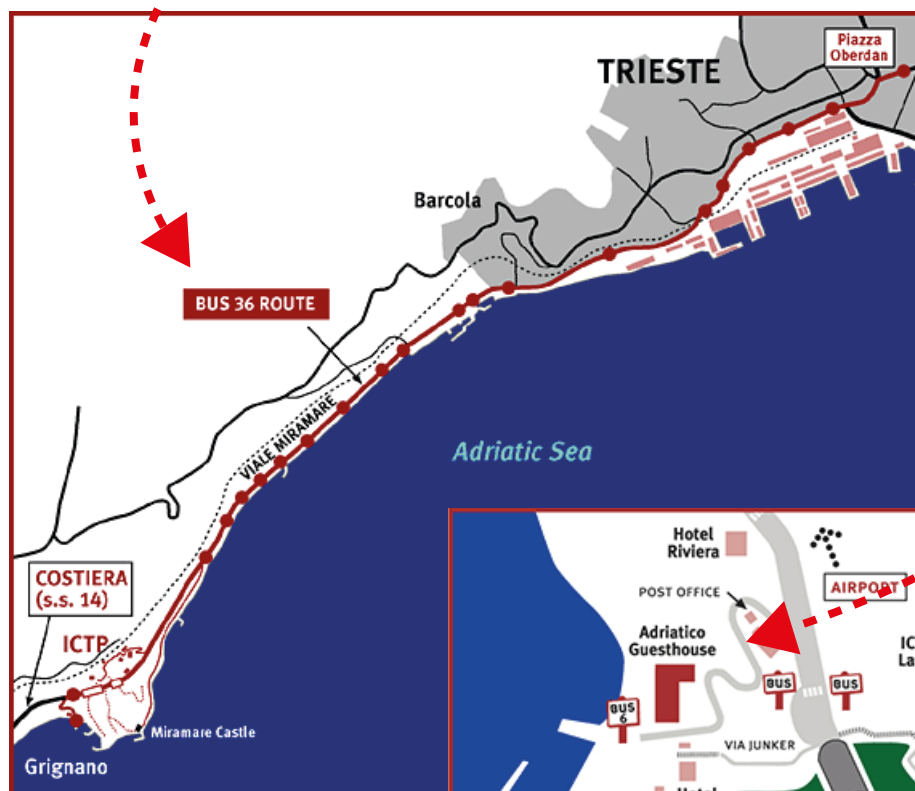

There are many Bed and breakfast, Hotels and Residences in Trieste. Here below are listed some of those that have special offers with SISSA (the local organizers).
