2019 Ecsite Conference Programme at a glance

The European
conference for
science engagement

#Ecsite2019

Conference 6 – 8 June

Pre Conference 4 – 5 June

DARIES

Programme at a glance

Open to all professionals who engage audiences with science and technology, the Ecsite conference offers an intense mix of intellectual stimulation, experimental formats and inspiring human encounters.

This unique networking and professional development forum combines 3 days of main conference offering 100 parallel sessions (6-8 June) with 2 days of pre-conference with 10+ in depth trainings (4-5 June).

Also look forward to 2 high-level keynotes, 350 speakers, 60 exhibitors, 2 dedicated tinkering and gaming labs and 3 evening social events.

Venue

All pre- and main conference sessions take place at Experimentarium, Tuborg Havnevej 7, 2900 Hellerup, Denmark
