

Be a part of something special this June

Sponsor the Conference

Exhibit in the Business area

The Ecsite Online Conference is the moment of the year for all those connected with science engagement to listen, participate, learn and laugh together.

What many of us crave this year is an opportunity to connect, to feel together and to feel positive and hopeful about the future. The Conference will recharge and refresh you while connecting over 1,500 participants both professionally and emotionally. With a mixture of interactive, inspiring sessions and lots of fun moments and opportunities to network, the Ecsite Online Conference is the only place you'll want to be this June.

What to expect from the Online Conference

A unique experience, keeping you professionally and emotionally engaged

Have the opportunity to meet 1,500+ professionals connected with science engagement, through a mixture of private video chats, public conversations, interactive sessions and social events, all at the click of a button.

Be inspired by high-profile keynote speakers and a wealth of parallel sessions, all designed by the community and carefully curated to cover a broad range of topics that matter to you.

Gain access to a Business Expo area and a showcase of exhibitions, products, services and projects. There will be live Q&As, training sessions, product demos and much more.

Have fun! The Ecsite Conference is well known for its open, vibrant feel, and bright and passionate community – despite being online, you'll feel a sense of togetherness and positivity which will stay with you until we can meet together in person again!

Exhibitor package

Includes:

One booth (mini or small) at the Business area (logo, text, videos, chat, polls, live sessions and one-on-one calls with visitors).

One free Conference ticket and three Exhibitor tickets (giving your exhibitors access to your booth and the Business Buzz only*).

Access to resources to set up your booth to get the most out of your Online Conference experience.

Direct contact with the friendly Ecsite Office for any questions you might have.

The European science engagement conference
