

The background of the top half of the page features a futuristic, sci-fi aesthetic. It shows a person in a spacesuit standing in a dark space, surrounded by concentric, glowing rings in shades of blue and orange. The text "MISSION: ASTRONAUT" is prominently displayed in a bold, white, sans-serif font at the top center.

MISSION: ASTRONAUT

PR Fact Sheet

Exhibition currently on tour

- 15 hands-on STEM challenges simulating real astronaut training
- 6 immersive training environments with authentic mission scenarios
- Robotic arm debris collection simulator with joystick controls
- Space station docking simulator with mission control voices
- Space capsule packing station with mission-critical supplies
- 5 astronaut food preparation and cooking stations
- 2 Mars plant growth experiment stations
- 4 spacesuit operation challenge stations with replica gloves
- Interactive space habitat construction area with Magna-tiles

A graphic for the 'Mission: Astronaut' exhibition. It features a person in a spacesuit standing in a tunnel made of concentric, glowing green and blue rings. The title 'MISSION: ASTRONAUT' is at the top in a stylized, glowing font.

MISSION: ASTRONAUT

PR Fact Sheet

Exhibition currently on tour

- Futuristic space projection area showing planetary habitations
- Immersive entry tunnel transporting visitors to astronaut training
- Full-size crew quarters and bathroom pods with peepholes
- 3-D digital spacesuit testing environment
- Documentary footage of real astronaut training
- Full astronaut mission journey from training to future exploration
- STEM curriculum connections spanning grades K-8
- Content developed with support from The DoSeum and Intrepid Museum
- Dual-language interpretation throughout (English/Spanish)

The background of the top half of the page features a futuristic, sci-fi aesthetic. It shows a person in a full astronaut suit standing in the center of a tunnel-like structure. The walls of the tunnel are lined with concentric circles of glowing neon light in shades of magenta and cyan. The overall effect is one of depth and technological wonder.
