## #Ecsite2017 - Saturday 17 June: conference day 3

Highlights from a last and very full day. Dozens of sessions, an inspiring keynote by Nina Simon and the a Portuguese "arraial" at the farewell party.

The 2017 Ecsite Annual Conference is taking place in Porto, Portugal, and is hosted by the [Natural History and Science Museum of the University of Porto \(MHNC-UP\)](#) and [Ciência Viva](#)

### 🔗 9:00 - 10:15 Sessions

#### [Natural history: make a difference in local and global debates](#)

Participants discussed the relevance of natural history for all science education efforts on the basis of its particular forms of reasoning, objects, and ways of knowing.

Looking forward t discussing natural history w H King, A Caola & J Ayer - and YOU! [#Room1](#)

## [The power of narrative storytelling](#)

This session explored the powers of narrative storytelling in science exhibitions and in other science centre experiences

 The good exhibition narrative is free from chronological directions. You can start where you want  
#room3 #Ecsite2017 <https://t.co/oK2eeyuCzk>
