#Ecsite2017 - Wednesday 14 June: pre-conference day 2

Welcome to the second day of pre-conference workshops at the 2017 Ecsite Annual Conference in Porto, Portugal. Science communicators from around Europe are meeting to learn from each other, discuss and define trends.

We are being hosted by the [Natural History and Science Museum of the University of Porto \(MHNC-UP\)](#) and [Ciência Viva](#)

🔗 9:00 - 13:15 Morning sessions

[The research-informed facilitator](#) & [Thinking about learning - put your research glasses on!](#) - Day 2 morning

This workshop was co-organised by two Ecsite thematic groups: the [Facilitation Group](#) and [The Research and Evaluation Group \(REV\)](#). For the first part of the day they worked together on the value of the research-informed facilitator, merging their communities of practice.
